While we wait- Reading the following key information

13:14

GOOD DRIVER
club

Go on

GDC is not insurance.

It's a club of careful drivers who share costs with each other.

To keep things fair and stable, we only accept low-risk drivers:

- **✗** no DUIs
- **✗** no repeated accidents
- **✗** no business use

That sounds fair

13:15

GOOD DRIVER
club

That sounds fair

But GDC is more than just a filter. It's built to truly **reward safe driving**.

Instead of paying the full quote upfront, you only pay 20% as service fee to get started.

The **remaining 80%** isn't taken upfront — it stays with you as your **Pledge Amount** and is authorized for weekly sharing.

Service Fee 20%

Pledge Amount 80%

Got it — what's weekly sharing?

13:16

GOOD DRIVER
club

Got it — what's weekly sharing?

Once your plan is active,

each week, members contribute based on actual accident costs in the community.

Your weekly sharing comes from your **Remaining Pledge Balance**, and can vary week to week based on the real costs.

• Service Fee 20%

• Weekly Sharings

• Pledge Balance

How can I save from this?

13:16

GOOD DRIVER
club

How can I save from this?

If you go 6 months **without an accident**,
you only pay for those weekly sharings.

Whatever is left in your Remaining Pledge
Balance stays with you.

**You keep it—
that's your savings.**

• Service Fee 20%

• Total Weekly Sharings

• Your Savings!

How much can I save?

13:17

GOOD DRIVER
club

How much can I save?

The exact numbers vary depending on the Club's accidents.

But for drivers with no accidents,

saving up to 40% is realistic.

What if I have an accident?

14:16

GOOD DRIVER
club

What if I have an accident?

Don't worry —
even good drivers have bad days. 🌧️

If an accident happens, just report it in the app.
